# DO-IT JIG MOLDS – WIRE HOOKS

## PRO SERIES ROUND HEAD

Do-it Corporation is a 40-year-old company that is recognized as a world leader in the tackle craft industry. Do-it molds has built this reputation by manufacturing the highest quality jig molds, lure molds and sinker molds available. Each Do-it mold is cast from a high-grade warp resistant aluminum alloy and is warranted against manufacturer defects. The faces of each Do-it mold are machined smooth and flat to prevent flash. The style of any hook or insert is permanently marked on each Do-it mold. Each Do-it mold is inspected individually to ensure that all hooks and inserts fit properly. All hinges are matched to tight specifications to assure precision alignment. All Do-it Molds have wooden handles for ease of handling when hot. Highly durable, Do-it Molds are built to handle years of reliable use.
