## Trokar Hooks

Trokar Hooks are designed with a unique triangular point to penetrate faster and easier. The three edges are high speed ground to surgical sharpness. The hooks are made with high carbon, cold forged steel and heat treated for just the right amount of impact strength and flexibility. Low profile barb for easier penetration yet ultimate holding power. Trokar Hooks are twice as sharp as any other hook on the market.

# ABERDEEN JIG HOOKS

**HOOK WIRE DIAMETERS:** We have measured the wire diameters of one size of each jig hook style we offer so YOU WILL BE ABLE TO SEE HOW HEAVY THE HOOK STYLES ARE RELATIVE TO EACH OTHER. Where available on heavy hooks we used a 4/0 size and on the lighter wire hooks we used a 1/0 size or the closest we had to these sizes. WIRE DIAMETERS ON OTHER SIZES ARE NOT AVAILABLE.

### GIANT TREBLE HOOKS

We have requests for treble  
hooks for large wall hanging  
hand made lures and  
occasionally for alligator hunting,  
and who knows what else. We  
now have 16/0 and 20/0 treble  
hooks. The picture shows the  
20/0 as compared to a regular  
size 2 which is the size used on  
1/2 oz. crank baits. Very heavy,  
bronze finish treble hooks.
